Prayer Requests & Praises

- Please pray for Karlene Will as she is currently hospitalized in Bremerton because of a serious infection. Doctors are fighting the infection with various antibiotics. There is no visitation allowed but encouraging texts to Karlene or Mike would be appreciated.
- Pray for Diana & Daniel Kim as they journey to Swedish Hospital for consultation with the surgeon who will do the parathyroid surgery currently scheduled for December 17th.
- Continue to pray during this pandemic of COVID-19. Pray for wisdom for the doctors, scientists, and government leaders. Pray for the safety of people as they experience various additional crises around the world during the pandemic, pray for the physical and mental health for people as there has been an increase of suicides and domestic violence, pray for the church globally as we continue to spread the gospel of salvation during this time of increased isolation, tension, and violence.
- Continue to pray for our Pastor Search Committee as they progress in their efforts! Lord provide a Godly Shepherd to minister to your flock.
- Jim and Marilyn Kelly's friends, Bernie and Gigi Delettretz want to thank everyone for their prayers. Bernie came through Thursday's hip surgery and the procedure went well. He now faces 6 weeks with no weight bearing on that leg. Life seems complex as during the preparations for the hip surgery they found that Bernie has blockage on arteries to his heart and as soon as he heals sufficiently from the hip surgery, he will require heart surgery to open the blockages. Continued prayer for speedy recovery, wisdom for the doctors, and encouragement for the days ahead.
- Thank you all for your prayers for Adam S. and Janusz Gruchla from the local church in Chojnice, Poland. They are both out of the hospital and recovering. Their appetites are returning and they have more strength than they have had for quite some time. Praise God! Please continue to pray for healing and strength as it will take a while for them to be "normal" again.

Announcements & Upcoming Events

Thanksgiving Eve Service

We will be conducting our annual Thanksgiving Eve Service this year on Wednesday, November 25th, at 6:30 pm. This will be a time of prayer, special music, scripture, and hymns. From today until the Thanksgiving Eve service, we encourage the congregation to participate in the Thanksgiving tree. In your bulletin are two leaves on which you can write down something you are thankful for and then hang it on the tree in the multipurpose facility. You are also welcome to bring your own leaves from home to hang on the tree as well. At the Thanksgiving Eve service, we will be sharing some of the items people wrote that they are thankful for.

Please be aware of COVID-19 6ft distancing as you hang your leaves on the tree. Please space out and wait if someone is currently hanging leaves on the tree. Thank you for your diligence!
