Prayer Requests & Praises

- Norm & Christy deGuzman helped serve the church as Youth Pastor and Secretary over 10 years ago before moving to minister in Hawaii. Recently, they found a tumor in Norm's jaw. It is not cancer but ameloblastoma and is aggressive and destructive. He has had biopsies, CT scans, and consultations with multiple surgeons. Long story short, he will be having mandibular sectioning and restructuring with a fibula-free flap on Tuesday. It is a very complicated surgery with a long recovery. Please pray for him and his family.
- Please keep the Daniells' family in prayer as they work to close on their house. Due to roof damage, the closing date has been pushed back and it could complicate the sale of the house itself. Please pray for wisdom and guidance during this time.
- Praise! Cindijo Mitchell's sister (Linda) had her biopsy come back negative.
- Please pray for Dennis Gregory's family. He was a fellow volunteer of Cindijo Mitchell at the homeless shelter and also started up Hallowed Grounds Cafe (soup kitchen). Dennis had a heart attack and was on life support for three days before they took him off. Pray for his family, as they are having problems being in agreement with some decisions that need to be made.
- Praise! Danna Bailey will be going home this Friday!
- Pray for Joyce Behrens. Please give her and the doctors wisdom as they plan what support she will need in the future; she longs to head home.
