## Prayer Requests & Praises

- Norm & Christy deGuzman helped serve the church as Youth Pastor and Secretary over 10 years ago before moving to minister in Hawaii. Recently, they found a tumor in Norm's jaw. It is not cancer but ameloblastoma and is aggressive and destructive. He has had biopsies, CT scans, and consultations with multiple surgeons. Long story short, he had mandibular sectioning and restructuring with a fibula-free flap on Tuesday. The doctors said they are pretty happy with how things went, but that the next 24-48 hours will be critical. Wednesday morning and Christy should be able to see him. Thanks so much for all your love and prayers.
- Please keep the Daniells' family in prayer as they work to close on their house. Due to roof damage, the closing date has been pushed back and it could complicate the sale of the house itself. Please pray for wisdom and guidance during this time.
- Pray for Joyce Behrens. Please give her and the doctors wisdom as they plan what support she will need in the future; she longs to head home.
