

Missionary of the Week
Andy & Jesi Chinn (Calgary, Canada)

Hello Keyport Bible Church,

You have been in our prayers. We are so excited for you as you welcome Pastor Matt Daniells. Alberta will be Covid restriction free starting July 1st. It feels strange and exciting being able to reconnect with people, activities, and in-person ministry. We've been hungry for it. We appreciate your support and prayers. Despite being limited by restrictions, God has done some great things. My last update I asked you to pray for a couple who was inquiring about serving the unreached in Siberia. God has seen fit to bring them on staff with InterAct and I will begin coaching and discipling them over the course of this next year to help them prepare for the field. We accepted another couple to join our Alaska Village Ministry team as well. I have been coaching 4 couples in partnership development. Two of those are now fully funded and the other two have about 30% to go. It has been fun to be able to support and challenge them. Please pray that we can determine what local ministry God is leading us to. We are exploring partnering with some of our fellow missionaries in their urban outreach ministries.

Thank you for your love and support,

Andy, Jesi, Eva, and Elle
